

Borrowing a book using Overdrive with NOOK and NOOKColor

1. On your computer, go to <http://digital.minlib.net/>
2. Scroll down the page to the Overdrive box near the bottom of the page. Browse or search for downloadable eBooks.
3. When you find a title you're interested in, **add it to the cart** and check it out with your Minuteman card number. Or, **request it** and you will be notified via email when it becomes available for you to check out. (*Then proceed to # 4.*)
4. Select "**Proceed to Checkout**".
5. Enter Library card number and PIN. Sign in. Adjust lending period, if desired. Confirm checkout.
6. Select "**Click here to download software...**" *You only have to do this once.*
7. Follow prompts to download Adobe Digital Editions (*you only have to do this once, too*).
8. Select "**Install**" and "**Confirm**".
9. Select "**Desktop Shortcut**" and click on "**Next**". When process says "Completed", click on "**Close**". The Adobe Digital Editions screen (dark brown) will appear. Minimize this screen.
10. Now, go back to the earlier screen where the book you chose is displayed. Select "**Download**".
11. Select "**Open**". Select "**Allow**", if asked.
12. Adobe Digital Editions will open and when you select "Library View" in the upper left corner of the window, you will see the book that you just checked out!
13. Now, plug the NOOK into the USB port on your computer. A box will appear asking you to authorize device. (*You only have to do this once.*)
Follow the prompts to authorize your device. Your NOOK will now be listed on the left side of the screen as NOOK, MY NOOKColor, or Media.
14. Click on the book title and drag and drop onto the word "NOOK" "NOOKColor" or "Media". The book has now been downloaded to your device.
15. On the lower right of the screen, right-click on the icon to "Safely Remove Hardware". Choose "Eject NOOK". You may now unplug your device from the computer and enjoy reading on your NOOK.
